

NO INSURANCE? NO PROBLEM!

You don't have to avoid your dental care just because you don't have dental insurance. Take advantage of one of our in-house dental plans to get the care you need at a price that makes sense. We offer adult, pediatric & periodontal specific plans. This is not an insurance plan, no claims are filed, and no payments are made to any other healthcare providers.

Select the plan or plans that are right for you and your family. Then schedule your next appointment. It's that easy!

OUR PATIENTS ARE TALKING

"I've been going to Dr. Gaston and now Dr. Murrell for quite a while. Everyone is friendly and helpful. I love the family feel it has - unlike corporate offices that try to sell you services you may not need. The front office staff is amazing as well...a 10 out of 10!"
